She serves on the Boards of the Museum of Discovery and Science and Baptist Hospital BOH/BHE. She is an active member of the Broward County Bar Association, and previously served on the statewide Florida Bar Board of Governors and as a Trustee on the University of Florida's Board of Trustees.

Ms. Roulhac holds both BA and Juris Doctor degrees from the University of Florida, where she previously served as a gubernatorial appointee on the Board of Trustees. She has resided in the South Florida area for over 35 years.

Florida Power & Light Company is the third-largest electric utility in the United States, serving more than 4.8 million customer accounts across nearly half of the state of Florida. FPL's typical 1,000-kWh residential customer bill is approximately 30 percent lower than the latest national average and, in 2015, was the lowest in Florida among reporting utilities for the sixth year in a row. FPL's service reliability is better than 99.98 percent, and its highly fuel-efficient power plant fleet is one of the cleanest among all utilities nationwide. The company was recognized in 2015 as one of the most trusted U.S. electric utilities by Market Strategies International. A leading Florida employer with approximately 8,800 employees, FPL is a subsidiary of Juno Beach, Fla.-based NextEra Energy, Inc. (NYSE: NEE), a clean energy company widely recognized for its efforts in sustainability, ethics and diversity, and has been ranked No. 1 in the electric and gas utilities industry in Fortune's 2016 list of "World's Most Admired Companies." NextEra Energy is also the parent company of NextEra Energy Resources, LLC, which, together with its affiliated entities, is the world's largest generator of renewable energy from the wind and sun.
