

**Manoucheka Thermitus**  
**Chief Operating Officer**  
**Saint Francis Hospital - Memphis**

Manoucheka Thermitus, MBA, serves as Chief Operating Officer for Saint Francis Hospital - Memphis. As the COO, Thermitus is responsible for the day-to-day operations of the facility and plays a key role in leading improvements in the delivery of quality care and strategic growth. Prior to this position, she served as the hospital's Chief Strategy Officer overseeing all service line growth and business development for the hospital.

Manoucheka has 15 years of progressive leadership experience including hospital operations, physician relations, strategic planning, service line development and hospital expansion. She has served as Associate Administrator and Director of Business Development at North Shore Medical Center in Miami, Florida and was responsible for physician relations, overseeing the laboratory and respiratory services.

Manoucheka's community involvement and achievements include, Tenet Leadership Academy Graduate, Volunteer Florida's Governor's Champion Service Award, The Miami Herald's 20 Under 40 South Florida's Emerging Leaders, Success South Florida Magazine's 40 Under 40 Black Professional, and a University of Florida Hall of Fame Inductee. Manoucheka has also served on the boards of the American Heart Association, United Way of the Mid-South, the Children's Trust of Miami Dade County, Women's Fund of Miami Dade County, Mt. Zion Development, and City of Miami Parks and Recreation.

Manoucheka has a Bachelor of Arts from the University of Florida in Gainesville, Florida, and a Master's Degree in business administration from George Washington University in Washington, D.C.

In her personal life, Manoucheka enjoys spending quality family time with her husband and her three-year old daughter.
